

INFICIDE PAA

Description

INFICIDE PAA is a Peracetic Acid based formulation that serves as a disinfectant for hospitals, pharmaceuticals and other industries. It is completely nontoxic in nature, owing to its degradation into water and oxygen. It provides enhanced protection against bacterial manifestation, helping in improvement of product quality and contributed to enhancement of membrane life.

Product Benefits

- Highly effective and quick disinfection
- Multi-disciplinary application as a disinfectant
- Cost effective dosage
- Non-toxic, Non-irritating, Biodegradable and Environment friendly
- Leaves no residue

Application

- ❖ Mopping (Surface Disinfection)
- ❖ Fogging (Environment Disinfection)

Product Specifications

Colour: Colourless
Shelf Life: 1 year
Pack Size: 5 Litre & 10 Litre

Dilution

For Mopping
1% (10 ml in 1 litre water)

For Fogging
1% (10 ml in 1 litre water)

Storage

Store in original containers in cool dry place, away from heat, direct sunlight and oxidizing agents.
